THE DIRECTORATE OF ECONOMICS AND STATISTICS

KERALA

PREFACE

The new approach of formulating and implementing development plans in the Country from the grass-root level, has increased the necessity of having basic statistical information at levels lower than the district and the taluk. With this objective in mind, a pioneer attempt was made by the officers and staff of this Department in Quilon district, to collect and disseminate block level statistics relating to the district and this publication is the outcome of their concerted effort. Most of the items of information were collected from secondary sources—the records and registers of the sub-offices of different departments.

Shri G. Somasekharan Nair, Joint Director of this Department took the initiative and provided necessary guidance in getting this work done by the officers in the district. Shri T.O. John, Research Officer, District Office (Economics & Statistics), Quilon took much pains in scrutinising and compiling the data, under the direct supervision of Shri V. C. George, District Officer and Shri K. Madhava Kurup, Deputy Director. The final scrutiny and editing was done by the officers in the Publication and Co-ordination Division of the Directorate.

Attempts are being made to issue similar publications in respect of the remaining districts also. Being the first attempt in this regard, this may not be perfect in all respects. Suggestions for improvement are solicited.

Trivandrum,
25-4-1983.

K. RAMA VARMA,
Director.
