Considering the demand for statistical information for decentralised planning, the State Planning Board and the Department of Economics and Statistics have designed many schemes to collect and publish data at Panchayat and Nagarapalika level. The most important scheme is a Socio-Economic Census 1995 under which a wealth of information regarding the socio-economic conditions of all households of Kerala numbering about 60 lakhs will be collected. The scheme for the collection of agricultural Statistics in the State is also redesigned to generate data at panchayat and municipality level. The results of these exercises will be available only after one year.

Meanwhile the Government of Kerala have decided to conduct the Panchayat and Municipal elections in April and the new Panchayats and Nagarapalikas are expected to come into function soon. To enable the newly elected functionaries to study the local resources and to start planning process backed by statistical information it was decided to document the available data from various sources in a single publication at district level. This report for Kannur district is the first in the series.

This report was prepared by a team of officers of the District Office, Economics and Statistics, Kannur under the guidance of Mr. M.P.Satheesan, Deputy Director. Sri.V.Gopalakrishnan and Sri.M.Suresh Babu, Research Officers prepared the tables with the assistance of Sri.K.Kunjuraman, Research Assistant and Smt.M.P.Preetha and Smt.K.P.Pavithri, Compilers. I hereby acknowledge the valuable services of Sri.M.Madhavan Namboodiri, Assistant Director and Smt. S.Leelamony, Research Officer and staff in the publication division of the Directorate for verifying the data and finalising the tables.

I would like to place on record our sincere thanks to Sri.V.Ramachandran, Vice Chairman and Sri. K.V. Nambiar, Member Secretary of the State Planning Board for their guidance in the preparation of this report and also for arranging the publication of this statistical profile of Kannur District.

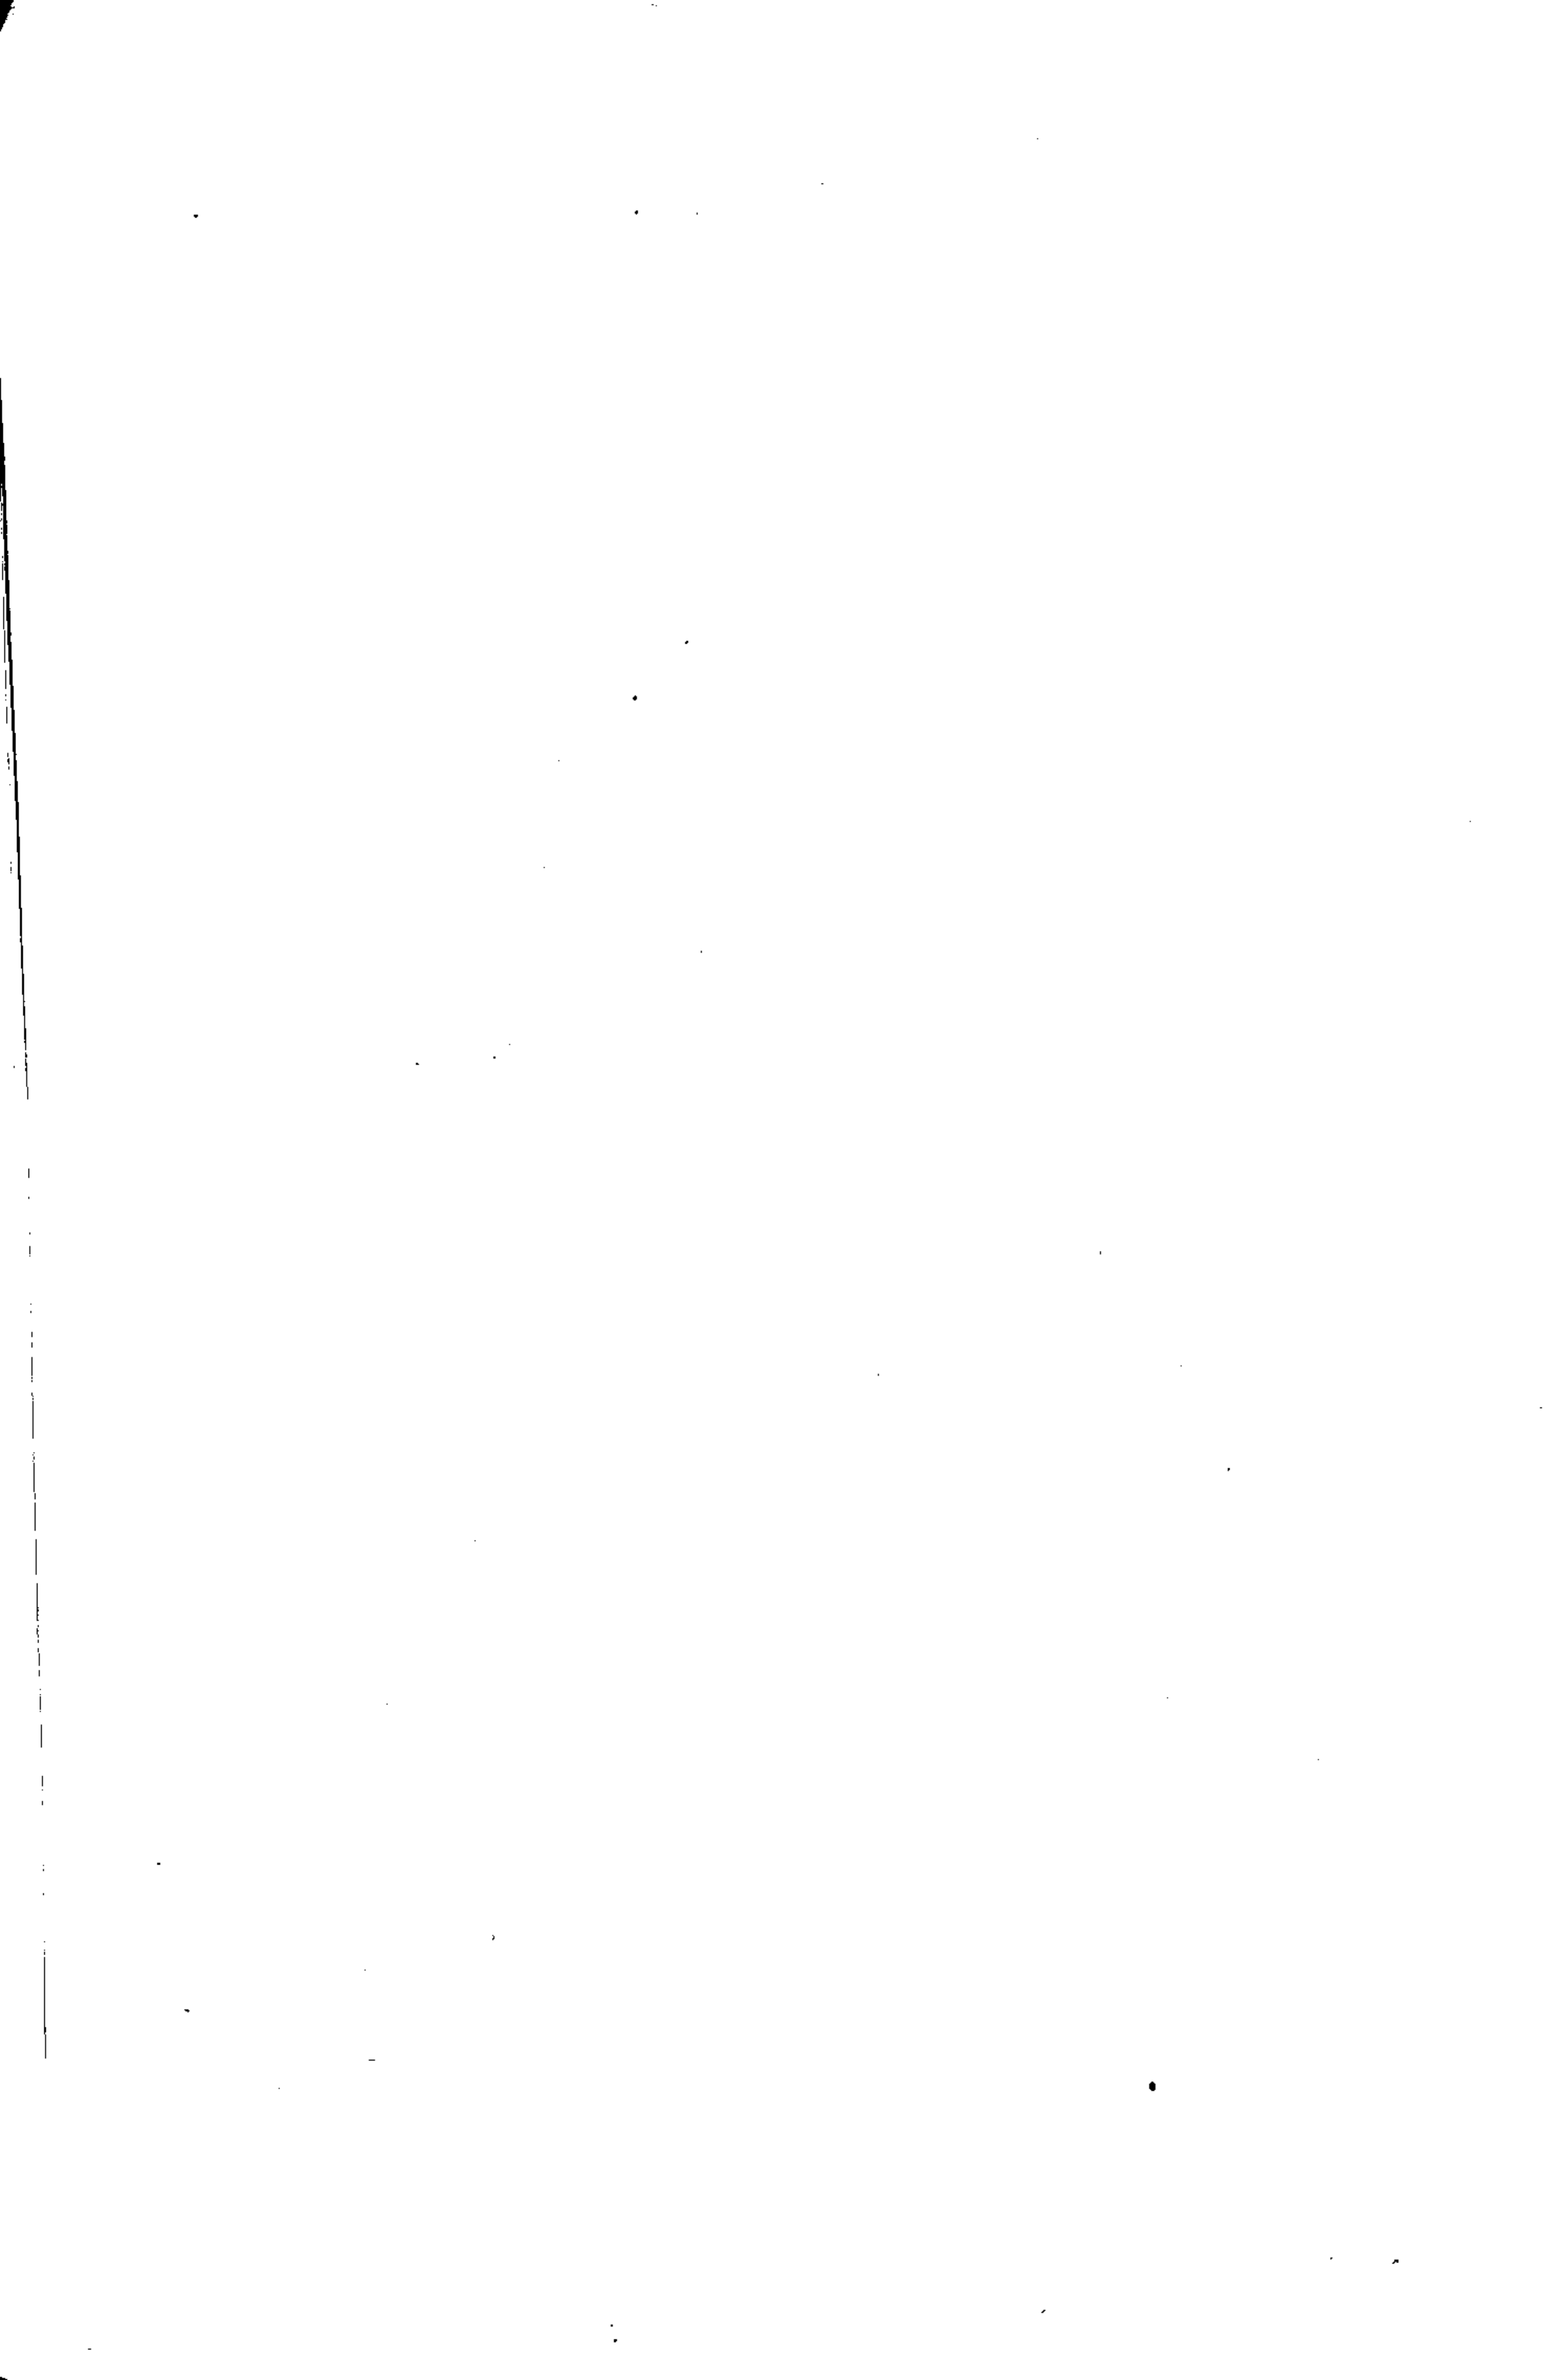

It is hoped that this publication would be of considerable use to the planners at panchayat/municipality, block and district levels and others interested in decentralised planning.

Thiruvananthapuram,
25-2-1995.
