Panchayat Level Statistics 2001

ALAPPUZA DISTRICT

Department of Economics & Statistics
Thiruvananthapuram

Preface

In order to cater to the needs of decentralised planning process, this department has taken various measures to collect and publish primary and secondary data from the very bottom level. This is with an objective to help the planners and administrators of local bodies to familiarise with the availability of resources at their command and enabling them for planning from bottom. The first issue of Panchayat Level Statistics was published in 1996 by this department when three tier systems of Local Self Government came into existence.

'Panchayat Level Statistics 2001' is the second in this series published with information from all sectors. All possible efforts were taken to cover all sectors of development. The data for this publication was collected through a multistage operation by the statistical personal of Alappuzha District. The data available at Grama Panchayat Level were collected by the Investigators of the Taluk Statistical Offices. The data which were not available at the Panchayat Level Offices of various departments and which were available at the Taluk Level Offices of those departments were collected by the Taluk Statistical Officer / Statistical Inspector. Again the data which were not available either at the Grama Panchayats or Taluks were collected by the officials in the District Office. In short almost all statistical staff in the district have an involvement in the collection of Panchayat Level Statistics.

The following persons have actively participated in the preparation of this publication under the guidance of Sri.T.P.Mukundan, Deputy Director (present), Sri.M.Divakaran, Deputy Director (previous), Sri K. Sebastin Varkey, District Officer, Sri.P.S.Sivaprasad, Research Officer, Smt. K.S. Jameela, Research Assistant, Sri A.Sabirakunju, U.D.Compiler.

I gladly acknowledge the valuable services rendered in this venture by Smt.S.Mayadevi, Assistant Director and Smt.K.Haleema Beegum, Research Officer and other members of staff in the Publication Division of the Directorate of Economics and Statistics. The staff of the Computer Division have also wholeheartly co-operated for the release of the publication in time.

The earnest co-operation and guidance extended by Sri.M.R.Balakrishnan Additional Director and Sri.C.C.Chериан Kunju, Joint Director are also commendable.

A. Meera Sahib
DIRECTOR.

ABOUT THE DISTRICT

The Alappuzha district in Kerala State was formed on 17th August 1957. It is the smallest district in area but having highest density of population. The total geographical area is 1414 sq. Km. The population of the district as per the Census 2001, was 2105349 (Provisional).

Alappuzha is a district of immense natural beauty with the Arabian sea on the west, a vast network of backwaters, lagoons and fresh water rivers crisscrossing the land. The district is an important backwater destination attracting thousands of foreign tourists every year. Alappuzha is also famous for its boat races, beaches, marine products and coir industry.

The district lies between 9° 5' north latitude and 76° 17' and 76° 44' east longitudes. It is bounded on the north by Ernakulam district, east by Kottayam and Pathanamthitta districts south by Kollam district and west by Arabian Sea. A singularity of this land is the region called Kuttanad --- a land of lush paddy fields referred to as the 'Rice Bowl of Kerala' and one of the few places in the world where farming is done below sea level.

The district at present consists of 6 taluks and 91 revenue villages. There are 12 Block panchayaths and 5 Municipalities. In 12 Block panchayaths there are 73 Grama panchayaths.

A heavy rainfall, a warm humidity of atmosphere and a fairly uniform temperature throughout the year are the characteristic climatic features of the district. In South-West Monsoon (from June to August), the yearly normal rainfall of the district is 1511 m.m. and in North-East Monsoon (from October to December), the normal rainfall is 832 m.m. Normally the temperature varies between 22.6° C to 33.5° C.

Achankovil, Pumba and Manimala are the important rivers passing through this district. The Vembanadu which is the largest backwater in the state is in the eastern side of this district.

Soils of this district are generally classified as sandy, clay and laterite. The sandy loam covers Karthikappally and Mavelikkara taluks, sandy soil seen in the coastal belt of Cherthala and Ambalappuzha taluks, clay and loam with much of activity cover Kuttanad taluk and laterite covers more than half of Mavelikkara taluk and entire area of Chengannur taluk.

Sand such as silica are mined from the Thanneermukkam and Chennam-Palippuram panchayats. The Vembanadu Lake is also the source of lime shell.

Agriculture is the important segment of the district. The main crops cultivated are Paddy, Coconut, Tapioca, Cashew, Pepper, Arecanut etc.. For the year 1997 - 98 the area and production of rice were 43220 hectares and 95128 tones respectively. In 1999 - 2000 it is reduced to 35326 hectares and 92087 tonnes respectively. There was excess rainfall at the time of sowing and off season rains at the time of harvest in Kuttanad which pushed down productivity of paddy in the district compared to that of the previous years. The tendency of converting paddy fields to garden lands is also seen among farmers in this district. Coconut, one of the major crops, provides income and employment for large number of households with small land holdings. The fall in price of Coconut combined with the widespread attack of mandarin pest depressing the yield has affected the livelihood of vast majority of the small and marginal farmers of the district. For the year 1997- 98, Coconut is cultivated in 58621 hectares. In 1999 - 2000, it is increased to 61270 hectares. The average price of coconut which was in the range of Rs.4.50 to 5.50 a nut during 1998 has fallen sharply and declined to the range of Rs.2.75 to 3.50 a nut during the last year. Large quantities of horticulture products such as jackfruit, mango, banana, pineapple, plantain are also produced here.

Live stock rearing provides opportunities for augmenting income and employment in the rural households.

The major irrigation projects of this district are Pumba Irrigation Project and Kallada Irrigation Project.

The coastal belt of about 82 k.m connected with a wide network of inland water bodies, Alappuzha has the requisite natural endowments for emerging as a leading fish producing district in the state. There are 55 fishing villages, where fishing and allied activities provide livelihood for vast majority of the population. The projected fishermen population in this district during 99 - 2000 is 170171. There was an organised attempt for inland fisheries development during the last 4 years when the 'Janakeeya Malsya Krishi' was launched.

There are 23 large and medium industries and 19802 SSI units in this district. Coir Industry is one of the major traditional industries in the district, which provides employment to approximately 2 lakhs workers, of whom 84% are women. Many coir units suffer from the problems of low productivity, low investment and scarcity of raw materials. 'Coirfed', 'The Kerala State Coir Corporation Ltd' and 'Foammatings (India) Ltd' are the 3 public sector units in the coir sector which are situated in this district. The 'MILMA' is in Punnapra South Panchayat of this district. Kerala Drugs and Pharmaceutical Ltd. And the manufacturing unit of homeo medicines in co-operative sector --- 'HOMCO' are in Mararikkulam South Panchayat, Steel Industries Kerala Ltd. is in Mararikulam North Panchayat, Kerala Spinners is in Mannanchery Panchayat, Scooters Kerala Ltd. Is in Punnapra North Panchayat. NTPC Kayamkulam is situated in this district. It has installed capacity of 129.58 mw.

There was also a sea bridge in Alappuzha Port for foreign trade. The city was known as 'Venice of the East'. Trade flourished through Alappuzha Port in the past. Coir and coir products, Copra, Ginger, Pepper and Turmeric were important items of trade through Alappuzha port in the past. With the development of Cochin port and road transport the importance of Alappuzha port diminished. Recently Government has taken to rejuvenate the Alappuzha port.

According to 1991 Census, the literacy rate of the district is 93.87. There are 727 schools comprising 405 lower primary schools 147 upper primary schools and 175 high schools. There are 49 higher secondary schools of which 19 are in the government sector and -30 in the aided private sector. There are 12 Arts & Science Colleges. There are 3 Polytechnics of which 2 are in government sector and 1 in private sector. College of Engineering, Kuttanad is situated in Pulikunnu Panchayat and self-financing Engineering College; Chengannur (IHRD) is situated in Chengannur Municipality of this district. The T. D. Medical College is in Ambalappuzha North Panchayat. CPCRI- Kayamkulam, Rice Research Station-Kayamkulam, and Rice Research Institute-Mancompu are situated in this district.

The head quarters of State Water Transport Department (SWTD) is situated in Alappuzha.

The two railway lines in the district are:- 1. Kayamkulam - Ernakulam (via Chengannur) of length 35.7 k.m. 2. Kayamkulam - Ernakulam (via Alapuzha) - coastal railway of length 88.18 k.m.

Allopathy, Ayurveda and Homeo sections together have 162 Hospitals with 8788 beds and 598 dispensaries in the district. There are 10 Community health centres, 64 Primary Health Centres 9 family Welfare Centres in Alappuzha.

A small Island known as 'Pathiramanal' or the "mysterious sand of midnight" is situated in Muhaamma Panchayat of the district. 'Punnapra - Vayalar Rakthasakshi Mandapam' in Alappuzha, Krishnapuram, palace in Kayamkulam and Karimadi Kuttau in Amabalappuzha are historically important centers. Chettikulangara devi temple, Chakkulathukavu Devi Temple, Mannarasal Nagaraja temple, Ambalappuzha Sreekrishnaswami temple are the important hindu worship centers in this district. St.Mary's forane church, Champakulam, St.George church, Edatua and St.Sebastian church, Arthunkal are the important Christian pilgrim centers in this district. Purakkad Arabi Sayed masjid and Athikkattukulangara Durga Sherief are the important mosques in this district.
