P R E F A C E

A compact publication giving the salient features of of the human population living in the city Corporation and Municipal areas of the State was a much felt need. The present one, prepared by Smt J. Saraswathy, Research Officer of this Department will, it is hoped, meet the requirements of those who are interested in improving the urban life in the State. An added feature of this publication is that it gives the anticipated population in 1990 as well.
