## Preface

Considering the demand for statistical information for decentralised planning, the State Planning Board and the Department of Economics and Statistics have designed many schemes to collect and publish data at Panchayat and Nagarapalika level. The most important scheme is a Socio-Economic Census under which a wealth of information regarding the Socio-Economic conditions of all households of Kerala numbering about 60 lakhs will be collected. The scheme for the collection of Agricultural Statistics in the State is also redesigned to generate data at panchayat and municipality level. The results of these excises will be available only after one year.

Meanwhile the Government of Kerala conducted the Panchayat and Municipal elections and the newly elected local committees assumed power. To enable the newly elected functionaries to study the local resources and to start planning process backed by statistical information it was decided to document the available data from various sources in a single publication at District level. This report for **Wayanad** district is the seventh in the series.

This report was prepared by a team of officers of the District Office Economics & Statistics Viz:- Sri Arthur.T.Gomez former District Officer, Sri P.V Subrahmanian Asari Price Supervisory Officer, Sri Ramanarayanan Additional District Statistical Officer, Sri K.Damodaran Taluk Statistical Officer (trainee), Sri O.P.Sankaran UD Investigator and Sri K..O Joy LD Investigator under the guidance of Sri S.Rajendran Deputy Director (in-charge) and under the close supervision Sri M. Divakaran, District Officer.

I hereby acknowledge the valuable services of Sri. M. Madhavan Namboodiri, Assistant Director and Smt. S. Leelamony, Research Officer of the Directorate for finalising the tables.

I hope that this publication would be of considerable use to the planners at panchayat/municipality, block and district levels and others interested in decentralised planning.

## About The District

Wayanad is a hilly district of Kerala. It is situated in a elevated picturesque mountainous plateau on the crest of the western ghats on a height between 700 and 2100 meters above the sea level. It lies between north latitudes  $11^{\circ}26'$  and  $15^{\circ}18'$  and east longitudes  $75^{\circ}46'$  and  $76^{\circ}26'$ . The District is surrounded by the Nilgiri District of Tamil Nadu and Mysore District of Karnataka State on the east Kodagu district of Karnataka on the north Malappuram district on the south and Kozhikkode and Cannore districts on the west. This land is rich in natural wonders. With its vast area of greenery, Spice scented breeze, mist capped mountains, salubrious climate and hypnotising scenic beauty Wayanad district stands its head high as one of the loveliest hill stations of Kerala.

### Brief History Of The District

The name "Wayanad" is derived from the expression "Wayal Nadu" which means land of paddy fields. In ancient times, the land was ruled by the Vedar Rajas. Later Wayanad came under the rules of Pazhassi Rajah of Kottayam Royal Dynasty. The modern history of the district is associated with the events that took place during the Mysorean invasion and the long spell of the British rule stretching over a period of about two centuries. There was fierce encounter between the British and Pazhassi Rajah.

When the State of Kerala came in to being in 1956, Wayanad was a part of Cannanore District later in 1957, south Wayanad was added to Kozhikode district and North Wayanad remained with Cannanore District. By Amalgamating the North Wayanad and South Wayanad, the present Wayanad District came into being on the 1st November 1980.
