BLOCK LEVEL STATISTICS

KOZHIKODE DISTRICT

DEPARTMENT OF ECONOMICS & STATISTICS
TRIVANDRUM
JULY, 1986

PREFACE

The department of economics and statistics is now engaged in building up block level data for each district to facilitate decentralised planning. "Block level statistics" of Kozhikode district was prepared by officers and staff of the district office of economics and statistics, Kozhikode under the guidance of the deputy director. It is hoped that this report would be of considerable use to the planners for formulation of schemes and for evaluation of schemes implemented in blocks. Suggestions for improvement are most welcome.

Trivandrum,
2-7-1986.

N. GEORGE JOHN,
Director of Economics & Statistics.
