

Preface

The first attempt of "Kerala Economy" was done in 1989 and the revised version was brought out in 2002. In view of the encouragement and support received from planning experts and data users, we now bring out third issue, incorporating data on very important socio-economic indicators of Kerala Economy.

"Kerala Economy -2003" has been prepared in the publication division under the able guidance of Sri Gangadhara Murugan (Additional Director) and Sri. C. P. Rajendran (Joint Director). Sri. P. C. Jain (Additional Director) also associated with the work. The earnest effort taken by Sri. K. Vimalan (Assistant Director), Smt. K. Haleema Beegum (Research Officer), Sri. K. Sainulabdeen (Research Assistant) and Sri S. Raju (LD Compiler) and other staff of Publication Division in bringing out this publication is highly appreciated. The DTP support rendered by Sri. S. Saseendran of Computer Division and Smt. B.K. Shamju of Price Division are also acknowledged.

It is hoped that the contents of this publication would be useful to Planners, Administrators and other data users. Suggestions for improvement are most welcome.
