## ***Preface***

This department had taken efforts to bring out Panchayat Level Statistics soon after the 73<sup>rd</sup> and 74<sup>th</sup> Panchayathi Raj and Nagarapalika enactments came into force. Hence the first edition of Panchayat Level Statistics published in 1996. Eventhough there were limitations this publication helped the planners and researchers to a great extent in formulating the schemes and evaluating the same.

'Panchayat Level Statistics 2001' is the second in this series. Co-ordinated effort have been taken to publish such a document containing informations from all sectors and covering almost all topics. There are limitations too. Spadework is underway to fill up the gaps by adding additional data in the future editions.

The data for this publication was collected through multistage operation by the statistical personnel of Kasaragod district. Almost all members of staff in the district statistical machinery have an involvement in the collection and finalisation of the data.

The report was compiled and computerised in the district by Shri.T.P.Vinodan (Research Officer) under the guidance of Sri K. Padmanabhan (Deputy Director). Appreciation is due to them. The services of the former Deputy Director Smt.E.Baby and Research Officer Shri Raveendran Paleri are also acknowledged.

I gladly acknowledge the valuable services rendered in the venture by Smt. S. Maya Devi (Assistant Director) and Smt. K. Haleema Beegum (Research Officer) and other staff of the Publication Division. I also acknowledge the wholehearted support provided by the Computer Division to bring out DTP version. But for the timely printing of the publication by Sri. P. D. Sudhakara Panicker (Research Assistant) this venture would not have been materialised.

The earnest co-operation and guidance extended by Shri M.R. Balakrishnan, (Additional Director) and Shri C.C. Cherian Kunju (Joint Director) are commendable.
